## Distribution of Emergency Grants

The City of Seaside's 2020 Tourism and Business Relief Program approved up to \$250,000 in emergency grant funding to help local institutions overcome the temporary loss of revenue associated with the COVID-19 pandemic. All applications were independently reviewed by a five-person grant committee consisting of Clatsop Economic Development Resources and Clatsop Community College Small Business Development Center staff and board members, as well as City Staff. Distribution of these funds was approved by City Council on April 27, 2020.
